

Zoom tour of the Clark Institute, Williamstown MA

Thursday 28th October 2021 at 2:30 pm

We are again crossing the Atlantic, this time in order to visit the Clark Institute located in Williamstown, Massachusetts. In 1950 Sterling and Francine Clark chartered the Sterling and Francine Clark Art Institute to become the home of their extensive art collection. Opened to the public in 1955, the Clark has built upon this extraordinary group of works to become one of the most beloved and respected art museums in the world, known for its intimate galleries and stunning natural environment. It is one of the few institutions in the United States that combines a public art museum with research and academic programs.

The visit will take place on Zoom on **Thursday 28th October 2021 at 2:30 pm**. It will last approximately 1 hour.
