

Zoom tour of the Doge's Palace Venice

Tuesday 25th January 2022 at 11 am

Last year we had the pleasure of being taken on a virtual walk around the Venetian quarter of Cannareggio. We are fortunate that our wonderful guide Luisella has now agreed to take us on a virtual tour of the Doge's Palace. It is very difficult to secure tickets to this magnificent building due to the huge queues any time of the day at all times of the year. A Zoom tour is an ideal way to enjoy one of the landmarks of Venice.

The Doge's Palace is built in Venetian Gothic style. It was the residence of the Doge of Venice, the supreme authority of the former Venetian Republic. It was built in 1340 and extended and modified in the following centuries. Our tour will include the golden staircase, the official rooms, the armoury, and the major council room.

This is a wonderful opportunity to see this iconic building from your home. The tour will last approximately 1 hour and 15 minutes.

The cost of the visit is **£15** per person

You will receive a link to join the tour nearer the time
