

Zoom tour of the Frick Madison

Tuesday 14th September 2021 at 2.30 pm

The Frick Collection has temporarily moved from its elegant town house on East 70th Street, New York to the modernist Breuer Building on Madison Avenue where it will remain for two years during renovation of its real home.

After our very successful trip to the Frick Collection in February, TASHH has been fortunate in persuading our wonderful guide, Vincent Tolentino, to show us more of the treasures that form the Frick Collection giving us another opportunity to enjoy more the distinguished collection again, but in a very modern setting. The Frick Collection was started by coal and coke millionaire Henry Frick.

This is a unique opportunity for a private Zoom guided tour of this collection at a time when foreign travel is still severely restricted

The visit will take place on Zoom on **Tuesday 14th September 2021 at 2:30 pm**. It will last approximately 1 hour.

The cost of the visit is **£10** per member / **£15** per guest

You will receive a link to join the Zoom tour nearer the time
