

From Melting Watches to Post Atomic Still Lives

Zoom tour of the Salvador Dali Museum St Petersburg Florida

Wednesday 23rd February at 3 pm

Whilst travel is limited, we at TASHH like to take our members all over the world so they can enjoy beautiful art from the comfort of their own homes whilst travel is limited. Our February tour will be another visit to the United States but this time to Florida where we will have a Zoom tour of the iconic Dali Museum in St Petersburg.

Founded with the works collected by A. Reynolds and Eleanor Morse, the Museum has made significant additions to its collection over the years, celebrating the life and art of Salvador Dali, one of the most influential and innovative artists in art history. It is housed in a stunning building designed by Yann Weymouth and contains a helical staircase reflecting Dali's obsession with spirals

The tour, entitled " From Melting Watches to Post Atomic Still Lives " will be led by Peter Tush, the Curator of Education. Peter will share highlights from the Collection in order to provide some answers, touching on Dali's remarkable life, his world of dreams and his mind-bending illusions

This is an opportunity to see a wonderful collection of works by this unique artist, collected by two enthusiasts and generously donated to the public so that we can all enjoy them.

The tour is at 3 pm on Wednesday 23rd February 2022 and will last approximately one and a quarter hours.

The cost of the visit is **£10.00** per person **£15.00** for non-members

You will receive a link to join the tour nearer the time
