

Virtual walk around Soho

Wednesday 12th May 2021 at 11am

We are going to explore Soho where we are familiar with its glamour, theatres and restaurants. However, there is a small part of it that has had an altogether darker reputation. Soho for centuries was the place where the rich went to have illicit fun. This virtual walk will introduce you to some of the famous characters and personalities that have shaped the last 350 years of Soho history. We will meet Casanova's mistress, the King of Porn, the creator of Communism and the inventor of television amongst others who you may find surprising.

We will be led on this virtual walk exploring Soho by **Pepe Martinez**, an experienced London Blue Badge guide, who has lived in the capital all his life. This promises to be a fascinating insight into the real Soho.

The visit will take place on Zoom on **Wednesday 12th May 2021 at 11am**. It will last approximately 1 hour.

The cost of the visit is **£12** for members / **£18** for visitors (subject to availability)

Nearer the time you will receive a link to join the Zoom walk.
